

Dave Beede

Title: C. E. Meadows Endowed Chair Professor

Location: Anthony Hall, MSU Campus, East Lansing

Specific Areas of Interest: Dairy Cattle Management; Dairy Cattle Nutrition and Metabolism; Environmental Nutrient Management; Transition Cow Management and Nutrition. The C.E. Meadows Endowed Chair performs and promotes research, teaching, and extension activities in response to the needs of the Michigan dairy industry. The position provides intellectual and administrative leadership to the MSU dairy faculty and staff, and the dairy industry of the state in a broad area encompassing dairy management. It promotes an appreciation for the contributions of both biological and economic disciplines for efficient and environmentally sustainable dairy production. The position conducts research related to dairy cattle management and nutrition. The Extension program includes interaction with and facilitation of activities among MSU Extension Dairy Team members, and interaction among MSU dairy researchers, teachers, and extension personnel in various activities through the MSU Dairy Programs Group. The Meadows Chair interacts with dairy industry organizations and leadership to facilitate projects and programs for the enhancement of the Michigan dairy industry and MSU dairy programs. The position contributes lectures in courses pertaining to dairy management and nutrition.

Educational Background: BS, Colorado State University, Fort Collins; MS, University of Nebraska, Lincoln; PhD, University of Kentucky, Lexington

Office Location: Animal Science Dept., 2265-K Anthony Hall, East Lansing, MI 48824
