

Phil Durst

Title: Extension Educator, Dairy for Northeast Michigan and Oscoda County Extension Director

Counties of Primary Responsibility: Northeast Michigan (north and east of U.S. Hwy. 127 and I-75)

Specific Areas of Interest: Phil's professional areas of interest include:

- ✓ Enhanced and protected dairy animal health and well-being so that herd profitability is unrestrained by these factors and consumers are comfortable with the production of their food supply.
- ✓ Good dairy nutrition for profit, health, and reproduction with high quality feeds in consistent feeding systems.
- ✓ Planning for a profitable future of the dairy business and design of facilities to meet management objectives.

Educational Background: BS, Philadelphia College of Pharmacy & Science; MS, Pennsylvania State University

Office Location: 101 S. Court St., (PO Box 69), Mio, MI 48647

Phone: Voice: (989) 826-1160; FAX: (989) 826-1125; Cellular: (989) 387-5346
